Inner Packing (pcs.) : 1

Warnings and Safety Instructions

- Always wear eye, head and ear protectors when using this tool.
- Before tools put on services for installing or replacing bits, be sure to disconnect the power supply.
- Do not use hand tool bits for power tools.
- During the operation, the bits and screws are heated due to friction, do not touch them.
- Always work in a well-balanced position.
- Do not attempt to modify your tool. Any heat or machining process can seriously damage the original product quality.
